Treatments better than ever

TOPtopper
TOP COAT

“TOPtopper”, the name says it all. This is the best Fast Dry-Non Yellowing top coat on the market. Not only is it SUPER SHINY, it dries in approximately 90 seconds.

To Top it off, it has UV absorbers to help fight UV radiation thus providing color fidelity. Top this over any polish or nail enhancement to protect and improve the wear of your manicure.

Note: Please keep this in a secure closed container at all times.

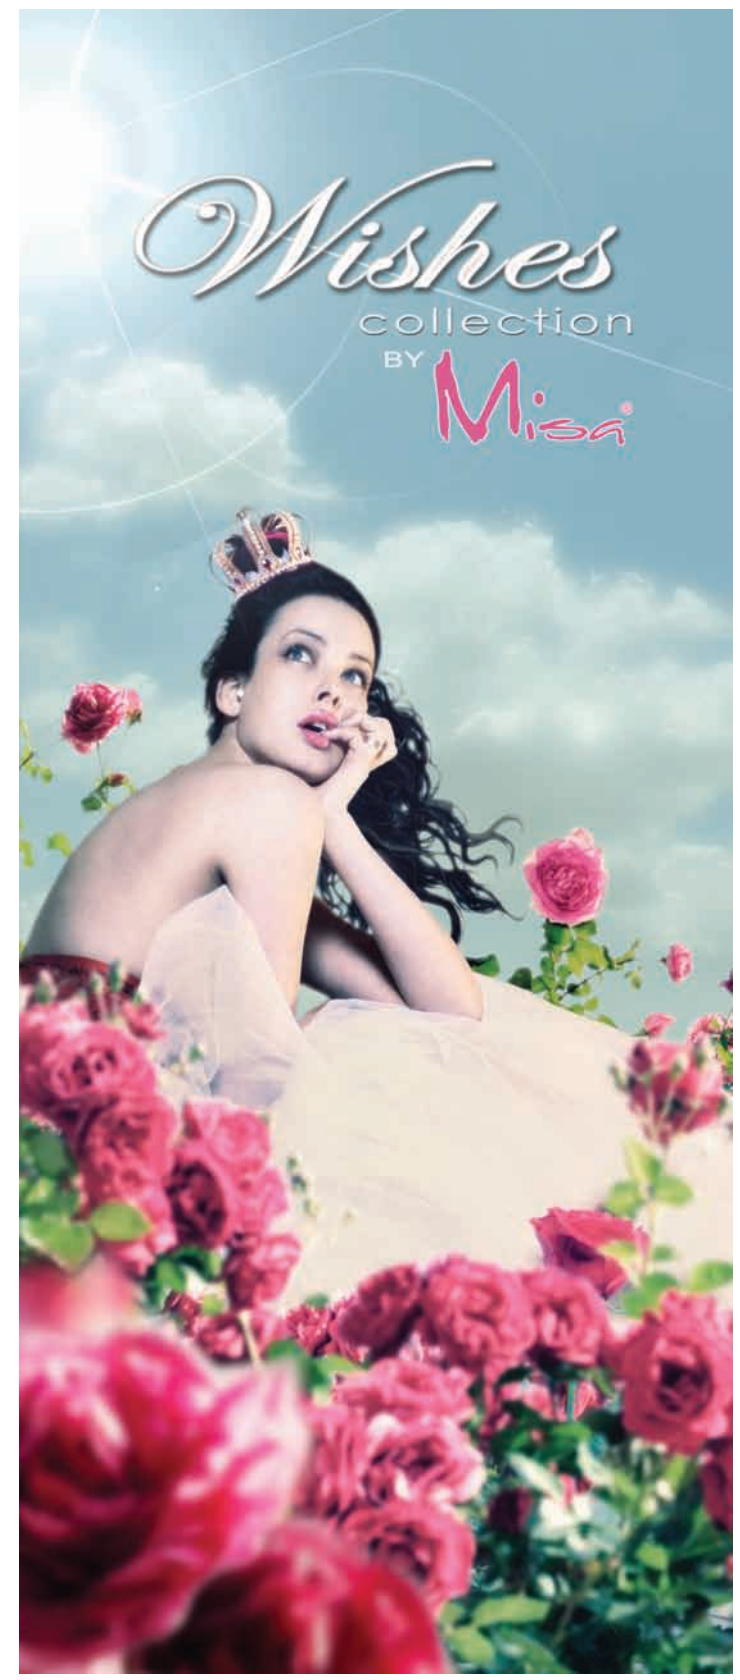

UV Blocker
TOP COAT

UV Blocker is the ultimate sun blocking solution for nails that are overly exposed to the Sun or UV radiation. This advance formula protects the nails from yellowing and acts as a protective sealer to improve color fidelity.

Note: Please keep this in a secure closed container at all times.
